

Medicine Lodge Stockade Repair Donations

The Stockade walls and towers were built in 1961. Repairs were made in the 1980s. However, if you look closely it is easy to see the amount of work needing done today. With many generous donations we have replaced the towers and are now working on the walls. A goal of \$40,000 has been set to replace the walls. All donations over \$50 will be recognized on a plaque displayed in the Museum. Levels of donations will be designated on the plaque.

Levels

Log Provider - \$50-\$249

Wall Raiser - \$250 to \$999

Stockade Protector - \$1000 or more
